KIMAX® New Lab Startup Grant

KIMAX® New Lab Startup Grant Application

Whether you're a promising new scientist or an established researcher, Kimble Chase would like to support your research initiatives by awarding KIMAX® Lab Startup Grants to researchers starting new labs. These \$1,000 grants will be awarded monthly to assist new labs looking to stock their facility with high-quality, high-performance glassware. Grants will be awarded in the form of Kimble Chase laboratory products having a total value of \$1,000 per grant. *No purchase necessary. See the web for official rules: www.kimble-chase.com/grant.html

Deadline for submission is the last business day of each month. Winners will be notified the following week. Complete the application below and **fax to 856-692-8134**.

Date of Application: _____ Date new lab will be operational: _____

Applicant Name and Title: _____

Applicant Email: _____

Principal Investigator Name and Title: _____

Principal Investigator Email: _____

Building / Room # / Lab: _____

Department: _____

Organization: _____

Address: _____

City: _____ State: _____

Zip: _____ Country: _____

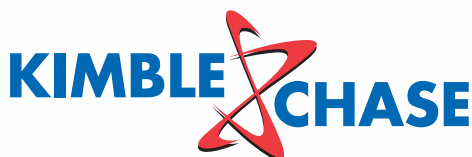

Phone: _____ Fax: _____

What is the most important aspect of starting your new lab? (Attach additional sheets if needed.)

Why is KIMAX® glassware important to your startup?

I confirm that if I receive this grant, the products I will be awarded will be used in a lab that is not yet operational or has been in operation less than two months prior to the date of application. I agree to allow Kimble Chase to post my name, affiliated institution and comments on the Kimble Chase web site and in its marketing materials as they see fit.
